1. These rules may be called the Ajmer Contingency Fund Rules.

2. The Contingency Fund of the State of Ajmer hereinafter referred to as the Fund shall be held on behalf of the Chief Commissioner of that State by the Secretary to the Government of Ajmer, Finance Department, for the time being.

3. All applications for advances from the Fund shall be made to the Secretary to the Government of Ajmer, Finance Department. The applications shall give:—

- (i) brief particulars of the additional expenditure involved.
- (ii) the circumstances in which provision could not be included in the budget;
- (iii) why its postponement is not possible;
- (iv) the amount required to be advanced from the fund with full cost of the proposal for the year or part of the year, as the case may be;
- (v) the grant or appropriation under which supplementary provision will eventually be made; and
- (vi) particulars of savings, when expenditure on a new service can be met by reappropriation of funds within the grant.

4. Advances from the Fund shall be made for the purpose of meeting unforeseen expenditure, including expenditure on new service, not contemplated in the annual financial statement.

5. The order sanctioning an advance from the Fund shall specify the amount and the grant or appropriation to which it relates and give brief particulars by sub-heads and units of appropriation of the expenditure for meeting of which it is made. It shall be issued by the Finance Department and communicated to the Administrative Department concerned and to the Accountant General, Central Revenues, New Delhi.

6. The sanction issued to Heads of Departments by the Administrative Departments for incurring expenditure against the advance shall specify Account classifications in the same detail as in rule 5.

7. Supplementary estimates for all expenditure so financed shall be presented to the Legislative Assembly at the first session immediately after the advance is sanctioned. As soon as the Legislative Assembly has authorised the additional expenditure by including it in

8. If, in any case, after the order sanctioning an advance from the Fund has been issued in accordance with rule 5 and before action is taken in accordance with rule 7, it is found that the advance sanctioned will remain wholly or partly un-utilised, an application shall be made to the sanctioning authority for cancelling or modifying the sanction, as the case may be.

9. All advances sanctioned from the Fund to meet expenditure in excess of the provision for the service included in an Appropriation (Vote on Account) Act shall be resumed to the Fund as soon as the Appropriation Act in respect of the expenditure on the service for the whole year, including the excess met from the advances from the Fund, has been passed.

10. The Administrative Department shall be responsible for sending to Finance Department proposals for Supplementary estimates in recoupment of advance from the Fund and in the forwarding note explaining the Supplementary Estimates, the notes mentioned under rule 7 above shall be recorded.

12. An account of the transactions of the Fund shall be maintained by the Finance Department in Form A annexed to these rules.

13. The accounting procedure for expenditure met out of advance from the Fund shall be as follows:—

- (i) Actual expenditure incurred against advances from the fund shall be recorded in the account relating to the Fund in the same detail as it

would have been shown if it had been paid out of the Consolidated Fund.

(ii) All drawing officers shall prepare separate bills in respect of expenditure to be met out of the advance from the fund and all such bills shall be labelled conspicuously on top 'Contingency Fund' by using a rubber stamp or by writing in red ink. Detailed classification of the expenditure in the bill be given according to the usual budget heads.

(iii) Account of the expenditure shall be maintained separately and reported to the Chief Controlling Officers monthly for control of expenditure in a statement headed 'Expenditure met from the Contingency Fund'. The account shall be main-

trained in the same detail as for expenditure met from the ordinary budget grant.

(iv) As soon as orders are received allotting funds out of the Supplementary estimate to meet the expenditure provisionally incurred from an advance from the Fund, the procedure of drawing on separate bills shall be discontinued and the separate account shall be closed by transferring the expenditure to the regular departmental account.
